All women science and engineering students, post-docs, staff and faculty
are welcome. Please come and use the opportunity to meet other women
scientists at UCSD and learn about WISE programs and activities.

The Women in Science and Engineering (WISE) is a subcommittee
of the Committee on the Status of Women (CSW). The purpose of the
subcommittee is to provide programs with topics of interest in women in science
and engineering and advise CSW on important issues concerning the general
climate of gender on the UCSD campus.
