

**A UCSD Tradition**

**HALLOWEEN  
COSTUME CONTEST  
GORY GUIDELINES**

**When/Where:** October 29 • Friday • Price Center Plaza  
**Who Can Enter:** UCSD Students, Faculty, & Staff  
Stage is wheelchair accessible  
**Time:** Costume Check-In: 11:30 • Contest Begins: 11:45  
**Category Sequence:** 1st Funniest • 2nd Most Creative  
3rd Scariest • 4th Incredibly Elaborate

**How Judging Works:**

- Costume check-in closes after the contest begins.
- Judging is conducted by one student, one faculty, and one staff person.
- Starting with category #1 each contestant will enter through the rear of the back-drop by walking up the stage stairs.
- Hold your registration number in front of you so the judges can clearly see it.
- The judges like it when you're animated: use the microphone, speak clearly, shout your name, describe your costume, sing, dance, act goofy.
- Exit through the back-drop, step off the stage, and wait until all four categories are finished.
- Each contestant is scored between 1 & 5 points: 5 points is the highest.
- Final scores are tabulated and reported after all categories have finished.
- The contestant with the highest score in each category wins 1st place.
- The contestant with the second highest score in each category wins 2nd place.
- A 1st place tie will be determined by audience applause: the person with the loudest applause wins 1st place. • Prizes and scoring decisions are final.
