Health and Wellness Lecture Series**

Cholesterol, Heart Disease, and You

Beatrice A. Golomb, M.D., Ph.D.

UCSD Associate Professor of Medicine

baolomb@ucsd.edu

Do you want to learn about:

- Effective treatment options for heart disease and related conditions
- HDL and LDL cholesterol levels
- Recent statins research results

Please join us for what promises to be a very informative presentation. This event is sure to be quite popular and we will be able to confirm reservations for only a limited number of people due to space constraints.

To reserve a seat, please RSVP via email to: cbenrimoj@ucsd.edu
There will be a prize drawing at Noon. Light refreshments will be served.
